Samuel Sinyangwe,

The Danbury Police Department received your 2nd fax on July 25, 2019 that revised the original request. However based on how the new request was worded, it is not clear to me as to exactly what you are requesting. I know that you are looking for any and all use of force policies, no problem.

Are you still looking for the other documents you requested in the original July 12, 2019 request? That was 5 five years of use of force reports, 2013 to 2018, and a copy of all complaints made by civilians against the police 2013 to 2018 and any and all police shootings. On the police shootings, we only had two in which someone was killed or injured. I can only release one DPD report as the other not going to be available for a period of time. The information such as types of force, race, etc... is in the use of force reports. We have no current contract on file.

Just document clearly what you want so I can figure out how many copies will needed to be made to get this fulfilled for you. Once I have a clear and updated request, I will get back to you with the copying and postage fees.

Sincerely,

Captain Daniel Mulvey
